

You've taken the journey together. Now it's time to take a ride!

*Beloved across the U.S and around the world, the
Worksman Side-by-Side delivers the joy of cycling to caregivers and companions.*

The Worksman Side-by-Side has been bringing the simple joy of cycling to generations of caregivers and their companions. Easy-to-use, strong and sturdy, this unique cycle allows either or both riders to pedal with its unique independent drive systems.

- Super comfortable, adjustable high-back captain chairs with available swing-up armrests and seatbelts.
- Easy to use center tiller allows either or both riders to steer.
- Supports combined weight of up to 600 lbs.
- Strong front motorcycle style front brake and rear coaster brakes for easy and safe stopping.
- Full line of upgrades include electric-assist motor, sun shade canopy and rear baskets.
- ***The Side-by-Side is great fun for all family members with its flexible seating and drive combinations.***

Manufactured by Worksman Cycles, America's oldest cycle manufacturer since 1898.
